Subject: Waiver Release

02-6

02-6

To the FCC Commission:

Please be notified that we are withdrawing our request for deadline waiver for Schools and Libraries Division Year 5 Funding Request Number 746497 Form 486 filing. We have received a notification letter which satisfies our needs with the exception of FRN 746497. We do not intend to encumber the 746497 funds or initiate that specific service.
